

SOLILOQUY OF ONE WHO LOVED DEATH

By Alice Cary. From the death when twilight's pale red ledge... I have seen the world of earth, the world of heaven...

THE FUGITIVE

By Monksford. No person had to be weary in labor in one State under the shadow of a fugitive...

THE NORTH STAR

By Alice Cary. The North Star beamed with a radiant light... As it watched 'mid the countless spheres...

THE STAR

By Alice Cary. The star shone forth with a radiant light... As he sped, hard pressed, for the land he sought...
